ADVENTURE AT CURIOSITY COVE

Educators, get your students ready for an adventure at Curiosity Cove! Join Ranger Hosts Hailee and Kiara as we step into Curiosity Cove, a place where imagination comes to life. Together, we'll explore diverse habitats and learn to navigate them just like the animals that call them home.

On the following pages, you'll find a guide to help students create their very own Curiosity Badge, preparing them for their mission to explore Curiosity Cove.

In this resource pack, you will find:
