**RANGER  
BUDDIES**

Greetings parents,

The brand-new KidzWorld at Singapore Zoo is now open!  
Your children will be joining us on the  
**Ranger Buddies Explore KidzWorld Virtual Show**  
in school on 14 November 2023. In this virtual mission, we will  
be exploring KidzWorld together, meeting animals and  
discovering how they are cared for at the Zoo!

Your child will need to bring some items to participate in the  
show. Please help your child gather or make the items and bring  
them to school on 14 November.

Turn the page for more details.

We can't wait to see your children at the show!

Signing off,
